Lead auditor's independence declaration

A copy of the Lead Auditor's Independence Declaration as required under sub division 60-C section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012 is included at page 26 of the annual report.

Objectives, strategy and principal activities

The objective and principal activity of this charitable organisation during the course of the financial year was to provide relief to persons who have worked in and contributed to the Australian music industry and are in need, suffering hardship or distress. Support Act also provides access to The Support Act Wellbeing Helpline, which is a confidential counselling service available to anyone working in Australian music who needs to talk to someone about any aspect of their wellbeing.

There were no significant changes in the nature of the activities of this organisation during the year.

Review of activities and key performance indicators

The net profit for the financial year was \$137,856 (2018: \$153,799). Support Act Limited is exempt from income tax.

Dividends

Support Act Limited is not permitted to distribute amongst its members (either directly or indirectly) its net surplus by way of a dividend and no such distributions have been made during the financial year.

State of affairs

In the opinion of the directors there were no significant changes in the state of affairs of the Company during the financial year under review.

Directors' Report (continued)

Likely developments

The Company will continue to provide relief to persons who have worked in and contributed to the Australian music industry and are in need, or suffering hardship or distress.

Events subsequent to balance date

There has not arisen in the interval between the end of the financial year and the date of this report, any item, transaction or event of a material and unusual nature likely, in the opinion of the directors of the Company, to affect significantly the operations of the Company, the results of those operations, or the state of affairs of the Company, in subsequent financial years.

Indemnification and insurance of officers

Indemnification

Support Act Limited has entered into an agreement indemnifying the current directors of Support Act Limited against all liabilities to another person (other than the Company) that may arise from their position as directors of the Company, except where the liability arises out of conduct involving a lack of good faith. The agreement stipulates that the Company will meet the full amount of any such liabilities, including costs and expenses.

Insurance premiums

Insurance premiums in respect of Director's Liability and Legal Expenses insurance contracts for current officers, including executive officers of the company have been paid by Support Act Limited. The insurance premiums relate to:

- costs and expenses incurred by the relevant officers in defending proceedings, whether civil or criminal and whatever their outcome; and
- other liabilities that may arise from their position, with the exception of conduct involving a wilful breach of duty or improper use of information or position to gain a personal advantage.

Premiums totalling \$1,790 (2018: \$2,615) were paid in respect of the directors of the Company.

Members' guarantee

The Company is a company limited by guarantee. The guarantee of members in the event of the winding up of the Company is \$10 for each member. At 30 June 2019 membership of the Company comprised 782 (2018: 718) full members, resulting in a total guarantee of \$7,820 (2018: \$7,180).

Directors' Report (continued)

Environmental regulation

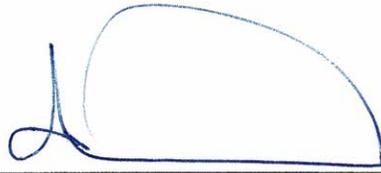

The Company's operations are not subject to any significant environmental regulations under either Commonwealth or State legislation. However, the Board believes that the Company has adequate systems in place for the management of its environment and is not aware of any breaches during the period covered by this report.

Dated at Sydney this 23rd day of October 2019.

Signed in accordance with a resolution of the directors:

Notes to and forming part of the financial statements

1 Statement of significant accounting policies

Support Act Limited (the 'Company') is a company domiciled in Australia.

Support Act Limited's registered office is Level 4, 11 - 17 Buckingham Street Surry Hills, NSW 2010.

The financial report was authorised for issue by the directors on 23rd October 2019.

(a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards ("AASBs") adopted by the Australian Accounting Standards Board ("AASB") and the Australian Charities and Not-for-profits Commission Regulation 2013. The financial report of the Company also complies with IFRSs and interpretations adopted by the International Accounting Standards Board.

(b) Basis of preparation

The financial report is presented in Australian dollars. The financial report is prepared on the historical cost basis, except that financial assets at fair value through the profit and loss are measured at fair value.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Company.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The accounting policies set out below have been applied consistently to all periods presented in the financial report.

(c) Revenue recognition

Revenue apart from subscriptions is recognised on an accruals basis. Subscriptions are paid once only on joining and are recognised as revenue when received.

(d) Grants

All grants approved prior to 30 June 2019 are charged against current income for the period. Grants which have been approved but have not been paid at the end of the period are accrued for at period end.

Notes to and forming part of the financial statements

1 Statement of significant accounting policies (continued)

(e) Deferred donor restricted funds

Where a donor provides funds for a specific purpose, or a solo benefit concert or personal appeal raises funds for a specific purpose, any amounts that have not yet been paid at the end of the period are accrued for at period end.

(f) Income tax

The Company is exempt from income tax under section 50-5 of the Income Tax Assessment Act 1997.

(g) Cash and cash on deposit

Cash is carried at the face value of the amounts deposited. Interest revenue is accrued at the market rates.

(h) Trade and other receivables

Trade and other receivables are stated at amortised cost less impairment losses (see accounting policy (j)). The carrying amount of trade debtors approximates net fair value.

(i) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Notes to and forming part of the financial statements

1 Statement of significant accounting policies (continued)

(j) Impairment

The carrying amounts of the Company's assets, are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated (see accounting policy j(i)).

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the statement of profit or loss and other comprehensive income.

The Company recognises loss allowances for expected credit losses (ECL) on financial assets measured at amortised cost. Loss allowances for trade receivables and contract assets are always measured at an amount equal to lifetime ECL's. Lifetime ECL's are the ECL's that result from all possible default events over the expected life of a financial instrument.

(i) Calculation of recoverable amount

The recoverable amount of the Company's receivables carried at amortised cost is calculated as the present value of estimated future cash flows, discounted at the original effective interest rate (i.e. the effective interest rate computed at initial recognition of these financial assets). Receivables with a short duration are not discounted.

Impairment of receivables is not recognised until objective evidence is available that a loss event has occurred. Significant receivables are individually assessed for impairment. Impairment testing of significant receivables that are not assessed as impaired individually is performed by placing them into portfolios of significant receivables with similar risk profiles and undertaking a collective assessment of impairment. Non-significant receivables are not individually assessed. Instead, impairment testing is performed by placing non-significant receivables in portfolios of similar risk profiles, based on objective evidence from historical experience adjusted for any effects of conditions existing at each balance sheet date.

(ii) Reversals of impairment

Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimate used to determine the recoverable amount.

An impairment loss in respect of receivables carried at amortised cost is reversed if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

(k) Employee benefits

Employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

(l) Retained earnings

The principal activity of the Company is to provide relief to persons who have worked in and contributed to the Australian music industry and are in need, or suffering hardship or distress. Any funds received by way of donations or other activities for the purpose of providing grants to provide relief not expended at the period end are carried forward against expenditure in future periods. It is not the intention of the Company to utilise retained surpluses for distribution other than on its principal activities. The Company is a not-for-profit entity.

Notes to and forming part of the financial statements

1 Statement of significant accounting policies (continued)

(m) Property, plant and equipment

Owned assets

Items of property, plant and equipment are stated at cost or deemed cost less accumulated depreciation (see impairment losses (see accounting policy j)).

Depreciation

Depreciation is charged to the income statement on a straight-line basis over the estimated useful life of each part of an item of property, plant or equipment. The estimated useful life in the current period is as follows:

- Computer hardware/laptops and, camera hardware and equipment – 3 years .

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

- Furniture and Fixtures – 5 years

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

(n) Intangible assets

Owned assets

Items of intangible assets are stated at cost or deemed cost less accumulated amortisation (see impairment losses (see accounting policy j)).

Amortisation

Amortisation is charged to the income statement on a straight-line basis over the estimated useful life of each part of an intangible asset. The estimated useful life in the current period is as follows:

- Website at cost – 5 years

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

- Customer Relationship Management Database – 5 years

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

Notes to and forming part of the financial statements

1 Statement of significant accounting policies (continued)

(o) New accounting standards and interpretations

(i) New accounting standards adopted in the current year

AASB 9 Financial Instruments has been adopted for the first time for the year ended 30 June 2019. It has replaced the previous financial instruments guidance including AASB 139 Financial Instruments: Recognition and Measurement. The Company has performed a review of its classification and measurement of financial assets and liabilities for compliance with AASB 9 and has determined an immaterial impact. Under AASB 9 Impairment losses on financial assets, including trade receivables, are now required to be measured using an expected credit loss model rather than the incurred credit loss model. Under the new model, the Company is required to recognise the expected credit loss from possible future default events rather than only those credit losses arising from counterparties with indicators of impairment. The Company has determined that the application of AASB 9's impairment requirements at 30 June 2019 has had an immaterial impact.

(ii) New accounting standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning on or after 1 July 2018 and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the Company.

13 Financial instruments

Financial risk management and transactions

Overview

The Company has exposure to the following risks from the use of financial instruments:

- credit risk;
- liquidity risk; and
- market risk.

This note presents information about the Company's exposure to each of the above risks, their objectives, policies and processes for measuring and managing risk. Further quantitative disclosures are included in this note.

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework. The Board is responsible for developing and monitoring risk management policies.

Risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the consolidated activities.

The Board of Directors oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

Credit risk

Credit risk represents the loss that would be recognised if a counterparty failed to perform their contractual obligations and arises principally from the Company's receivables from advances.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its obligations as they fall due. The Company's approach to managing liquidity is to ensure that it will always have sufficient liquidity to meet its liabilities when due, under both normal and unusual conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The contractual maturities of financial liabilities, as represented by trade and other payable, deferred donor restricted funds and unpaid grants, are all within one year. The carrying amount of these liabilities also represents the contractual cash flows.

Market risk

Market risk is the risk that changes in market prices such as interest rates and share market fluctuations will affect the Company's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest rate risk

Profile

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments related to cash and cash on deposit balances totalling \$1,062,782 at variable interest rates (2018: \$703,418).

Sensitivity analysis

If interest rates had changed by plus (or minus) 1% per annum from the interest rate at the year end, with all other variables held constant, the Company's profit before income tax for the year would have been \$3,471 higher (lower) (2018: \$3,402).

Fair value hierarchy

The Company no longer holds any investments recognised at fair value.

Directors' declaration

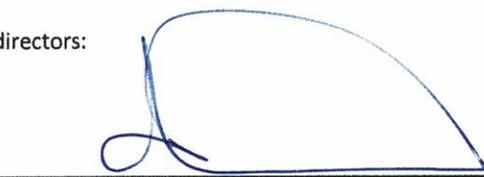

1. In the opinion of the directors of Support Act Limited ("the Company"):

Independent Auditor's Report

To the Directors of Support Act Limited

Report on the audit of the Financial Report

Qualified Opinion

We have audited the **Financial Report**, of Support Act Limited (the Company).

In our opinion except for the possible effects of the matter described in the Basis for Qualified opinion section of our report, the accompanying Financial Report of the Company is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012*, including:

- i. giving a true and fair view of the **Company's** financial position as at 30 June 2019, and of its financial performance and its cash flows for the year ended on that date; and
- ii. complying with *Australian Accounting Standards* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

The **Financial Report** comprises:

- i. Balance sheet as at 30 June 2019;
- ii. Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Cashflow statement for the year then ended;
- iii. Notes including a summary of significant accounting policies;
- iv. Directors' declaration of the Company; and
- v. Declaration by the Directors' in respect of fundraising appeals of the Company.

Basis for Qualified opinion

Qualification on fundraising revenue

Fundraising revenue in the form of cash donations is a significant source of fundraising revenue for the Company. The Company has determined that it is not practicable to maintain controls over the collection of cash donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from this source was limited, our audit procedures with respect to cash donations was restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether the cash donations to the Company, reported in the accompanying Financial Report is complete.

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with the auditor independence requirements of the *ACNC Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Other information

Other Information is financial and non-financial information in Support Act Limited's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

The Other Information we obtained prior to the date of this Auditor's Report was the Directors' Report.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified opinion section above, we were unable to obtain sufficient appropriate evidence about the completeness of cash donations. Accordingly, we are unable to conclude whether or not the other information is materially misstated with respect to this matter.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- i. Preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards and the ACNC.
- ii. Preparing the Financial Report in accordance with Section 24(2) of the Charitable Fundraising (NSW) Act 1991 and Regulations and with Section 15(1) and 15(2) of the WA Charitable Collections Act 1946 and Regulations 1947 (the Acts and Regulations).
- iii. Implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- iv. Assessing the Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- i. to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- ii. to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Report.

As part of an audit in accordance with *Australian Auditing Standards*, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- i. Identify and assess the risks of material misstatement of the Financial Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered Company's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- iv. Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the registered Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors committee members of the registered Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

In addition we have:

- i. Obtained an understanding of the internal control structure for fundraising appeal activities.
- ii. Examined on a test basis of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Acts and Regulations.

We have not audited on a continuous basis the accounting records relied upon for reporting on fundraising appeal activities. These do not necessarily reflect accounting adjustments after the event or normal year-end financial adjustments required for the preparation of Financial Report such as accruals, prepayments, provisioning and valuations.

Report on Other Legal and Regulatory Requirements

Opinion pursuant to the Charitable Fundraising Act (NSW) 1991

In our opinion, except for the possible effects of matter described in the basis for qualified opinion paragraph:

- i. the Financial Report gives a true and fair view of the Company's financial result of fundraising appeal activities for the financial year ended 30 June 2019;
- ii. the Financial Report has been properly drawn up, and the associated records have been properly kept for the period from 1 July 2018 to 30 June 2019, in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations;
- iii. money received as a result of fundraising appeal activities conducted during the period from 1 July 2018 to 30 June 2019 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations; and
- iv. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

Opinion pursuant to the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion paragraph the Company has complied, in all material respects, with the requirements of the *Charitable Collections Act (WA) 1946* and *Charitable Collections Regulations (WA) 1947* for the year ended 30 June 2019.
